pre university paper from the year 2015 in the subject american studies culture and applied geography grade 13 language english  
comment facharbeit uber das amerikanische schulsystem inklusive einfuhrungen in die grundschulausbildung sekundarausbildung  
und akademische ausbildung einblicke in die geschichte problematik und auswirkungen des amerikanischen schulsystems  
ausserdem vergleich zum deutschen schulsystem abstract the american school system quite an abstract nomenclature though it  
seems that these words simply describe the scheme which is used to teach or misteach america s future it has many different  
meanings depending on the person one asks depending on the time one asks during my research i realized that in the us there is  
nothing like the american school system in principle but rather 50 different systems though most of them do not really differ from  
each other what does exist is the average american school system a raw version a basic model used as a draft by each state  
completed to what they think is the perfect system to teach their youngest generation because learning is not just for school but  
for life i chose this subject because for me the american school system is really interesting i have already done some research  
before to find out about colleges universities as there is nothing right now that i want more than to study in the united states this is  
also the reason why i chose english as my class to write in so with all the previous knowledge some extra research and my

usual impetus i had a good time writing this
